

Course: MENG 2020 Computer Programming	
Lab: Lab 02	
Name: Michael McCorkell	Student ID: N01500049
Date: September 26 th 2026	

Please refer to the lab manual posted on the blackboard and fill in the following table as your final lab report.

Please Notice: All the labs are individual work and submission. All academic misconduct behaviors will be penalized the maximum extent possible according to college policy. Thanks for your attention. (Reference Link: [About Academic Misconduct](#))

Please finish all the **lab report submission requirements** in the following table. Add more rows if necessary.

Lab Results

Lab Procedures	Submission Requirements: Please submit <i>screenshots</i> showing your original Matlab code and the execution results for each step. Note: If file submission is required, please attach your files separately on Blackboard.
